

Dear Parents,

February, 2008

The Sutton Preschool Program is a program designed to meet the needs of our early childhood students who have special educational needs and qualify for special education. In the past few years, we have been delighted to accept a limited number of children with non-special needs. This offering promotes social skill building for all students.

If you are interested in having your child be considered as an applicant for this program, please note that it is one-year placement, transportation must be provided by you, and the following must be met:

◇For the 2008-2009 four-year-old class, your child must be four by August 31, 2008.

◇For the 2008-2009 three-year-old class, your child must still be three by August 31, 2008.

Your child's name will be placed in a lottery for the available slots, which will be drawn before end of school year. There is a slight fee for the program.

If interested, please complete the form below and return it to:

Margo Austein
Director of Special Education
409 Boston Road
Sutton, MA 01590
