

Sutton Middle School PTO Membership Form

Welcome to the Sutton Middle School PTO!!!

The PTO supports the students of Sutton Middle School by contributing to the educational, recreational and social forms of enrichment.

The PTO typically raises \$15,000 to \$20,000 a year which is used to fund school supplies, textbooks, staff development and after school programs. Our success is dependent upon parent volunteers. Without your support, membership and time, these activities are not possible.

Please consider joining the PTO and/or volunteering for one of the activities listed below. Any time you can give is much appreciated.

Please list the children in the middle school.
