January 11, 2010

Dear Parents,

The Sutton Preschool Program is a program designed to meet the needs of our early childhood students who have special educational needs and qualify for special education. In the past few years, we have been delighted to accept a limited number of children with non-special needs. This offering promotes social skill building for all students.

If you are interested in having your child be considered as an applicant for this program, as a typical role model, they may do so with the completion of the attached lottery form. Please note this is one-year placement and transportation must be provided by you. The following conditions must be met*:

- Your child must be four by August 31, 2010 for the 2010-2011 four-year-old class
- Your child must still be three for the 2010-2011 three-year-old class, by August 31, 2010

Your child's name will be placed in a lottery for the available slots, which will be drawn on Friday, March 5, 2010. There is a fee for the program.

If interested, please complete the form below and return it to the address above to the attention of Margo Austein, Director of Special Education no later than Feb. 12, 2010.

*If your child is or will be three years of age by the lottery due date, it is highly recommended they participate in our upcoming Preschool Screening scheduled for January 27 & 28. Please call 508.581.1615 to schedule an appointment for the screening.
