

# COVID-19 DECISIONS FOR VACCINATED INDIVIDUALS

EXPERIENCING  
SYMPTOMS

AT  
HOME

AT  
SCHOOL

INDIVIDUAL WILL  
BE REQUIRED TO  
GO HOME

A PCR TEST IS REQUIRED  
TO RETURN TO SCHOOL

NEGATIVE  
TEST

Return to school when symptoms are improving and fever-free without medicine for 24 hours.

POSITIVE  
TEST

Return to school after 10 days of isolation **AND** when symptoms are improving and fever-free without medicine for 24 hours.

NO  
TEST

Return to school after 10 days from start of symptoms **AND** when symptoms are improving and fever-free without medicine for 24 hours.

ALTERNATIVE  
DIAGNOSIS

Return when cleared by PCP. **A note from the MD is required in this scenario.**

EXPOSED TO  
COVID-19

If the individual is **FULLY** vaccinated (2 weeks post 2 doses of Pfizer/Moderna or 1 dose of J&J) there is **no requirement to quarantine.**

Monitoring for symptoms is essential. If symptoms develop, isolate immediately and follow symptomatic chart.

# COVID-19 DECISIONS FOR UNVACCINATED INDIVIDUALS

EXPERIENCING SYMPTOMS

AT HOME

AT SCHOOL

INDIVIDUAL WILL BE REQUIRED TO GO HOME

A PCR TEST IS REQUIRED TO RETURN TO SCHOOL

NEGATIVE TEST

Return to school when symptoms are improving and fever-free without medicine for 24 hours

POSITIVE TEST

Return to school after 10 days of isolation **AND** when symptoms are improving and fever-free without medicine for 24 hours

NO TEST

Return to school after 10 days from start of symptoms **AND** when symptoms are improving and fever-free without medicine for 24 hours

ALTERNATIVE DIAGNOSIS

Return when cleared by PCP. **A note from the MD is required in this scenario.**

EXPOSED TO COVID-19

TEST AND STAY PROGRAM

Only for in-school exposures. Prior consent needed.

QUARANTINE AND GET TESTED

Get PCR or antigen test 5 days after last exposure. Return to school on Day 8, if negative. Must monitor for symptoms for 14 days

QUARANTINE WITHOUT A TEST

Quarantine for 10 days from last exposure. Return to school only if no symptoms have occurred. Monitor for symptoms for 14 days.
