

## Welcome to Sutton Schools!

On behalf of the Sutton Elementary PTO, we hope you had a relaxing summer and are ready to **volunteer** to get involved in your child's school. The Enrichment program needs **YOU!**

**What is Enrichment?** Enrichment is a PTO fundraiser, in which a variety of classes are offered after school for students in grades K-5 to expand their learning experiences beyond the classroom. Enrichment runs two times each school year for 4 consecutive Wednesdays. Children stay after school and meet in the gymnasium for attendance and a quick snack before heading to their Enrichment adventure. Classes run from 3pm-4pm in and around the school with dismissal at 4pm from the gymnasium. The cost is \$50 per student, with the money going back to the school and classrooms by PTO grants.

**Calling All Volunteer Teachers!** Most classes are taught by parent/adult volunteers. This is where we need your help. Some of our most popular classes have been invented by our creative volunteers. We are always in need of new class ideas and teachers to teach them. If you have a skill or talent that you could share with students (you pick the appropriate age range), please consider teaching a class. Previous classes include:

- Mini Ninja Warriors
- Jewelry Making
- Doll Crafts
- Game Show Style Games (Amazing Race)
- Computer Coding
- Harry Potter
- Baking & Cupcake Decorating

We can help you design your class or offer suggestions on the types of classes that have been successful in the past. All costs for materials are reimbursed by the PTO. As an added bonus, children of parents who teach a class attend that Enrichment session for free!

**Another Option!** The Enrichment program also needs more than 20 CORI'ed adult volunteers to assist teachers and help supervise children. The commitment is 2:45pm-4pm for 4 Wednesdays. This is a fantastic opportunity for you to see your child in his/her school environment try new things! We offer babysitting for preschool age siblings to allow parents to volunteer. If you would like to help, but think it best for your child that you do not volunteer in his/her class, we will certainly accommodate your wishes - and if you have multiple children participating and would like to volunteer in a different class each week, we can make that happen too! If you can only make it 2 or 3 of the 4 weeks, we still need your help!

**How Do I Register My Child for Enrichment?** Information on the class options will be sent home with an online link to register in September and February. We ask that you rank your child's top three class choices. Students are then placed in classes by a random lottery system.

The dates for the 2019-20 school year are:

- **Session 1: Wednesday Oct. 16, 23, 30, and Nov. 6** with Nov. 13 as a makeup day if needed
- **Session 2: Wednesday Mar. 18, 25, April 1, and 8** with April 15 as a makeup day if needed

**To volunteer to teach or assist in either session or both, please contact Katelyn or Celia at [suttonenrichment@gmail.com](mailto:suttonenrichment@gmail.com).**
